[redacted]
mandant of the Defense Intelligence School and would tour the
DIS area including the building in which we are currently
conducting a course. We were prepared to show them through
our area and answer their questions.

2. Approximately one hour before they were to arrive,
[redacted] visited us and requested a short briefing for Mr.
the Information Science Training Program. In
response, the undersigned described the history of the pro-
gram and current status. [redacted] spoke on the philosophy
of "user" training and the content of the course in Management
Science for Intelligence. [redacted] briefed the group on the
course in Information Science for Intelligence and [redacted]
gave a brief resume of the Survey of Information Handling
Systems.

3. [redacted] evinced a strong interest in the program
and inquired as to the plans for FY 74 and beyond. The under-
signed responded that the program was operating on a trial
basis in FY 73 and that no decisions had been made with respect
to FY 74. [redacted] stated that he planned to discuss this
point with Mr. Coffey at an early date.
